

HEALTH AND SAFETY POLICY

Astir Odysseus Resort & Spa main commitment is to offer our guests and employees a safe & healthy environment to stay in. The hotel strictly follows national & international health & safety regulations. It is our duty, stated also within our operating standards, to communicate this policy to all employees and all persons working for or on behalf of Astir Odysseus Resort & Spa. In order to secure and go beyond the above our hotel provide the following:

The Hotel Management:

- provide and maintain safe and healthy working conditions considering local & national statutory requirements
- develops and monitor changes to occupational safety & risk assessment based on Hotel's needs
- provide training and instruction to enable employees to perform their work safely and efficiently
- make available all necessary safety devices and protective equipment and to supervise their use
- maintain a constant and continuing interest in health and safety matters relating to Hotel objectives
- internal and external inspections take place to ensure that hazards managed

All associates have an obligation to cooperate in the implementation of this policy. Any associate who does not comply with this safety policy or any other safety requirement maybe be liable to disciplinary action under hotel employment policy.
